

Docket No: 00-0366

Bench Date: 8/8/01

Deadline: N/A

MEMORANDUM

TO: The Commission

FROM: Deborah King, Administrative Law Judge

DATE: July 31, 2001

SUBJECT: Consumer Illinois Water Company

Petition for (1) issuance of a Certificate of Public Convenience and Necessity ("Certificate") to operate a water supply and distribution system and sewage collection system in Lake County; (2) approval of accounting entries related to acquisition of facilities; (3) approval of rates.

RE: Application for Rehearing filed by the Petitioner.

RECOMMENDATION: Deny Application for Rehearing.

The Illinois Commerce Commission entered its final Order in this docket on June 27, 2001. The Petitioner filed an Application For Rehearing on July 27, 2001.

We believe that the Commission's determination of the proper original costs of the water system and of the sewer system for accounting purposes were fully addressed during the course of this docket. This application for rehearing does not submit any new arguments on these issues. Accordingly, I recommend that the application for rehearing be denied.
